

## Mobile application for ESI patients

The ESIC (Employees' State Insurance Corporation) has launched a mobile application "AskAnAppointment" (AAA+) for booking of appointment in ESI Dispensaries in Delhi on 10th April 2017. Through this Mobile Application, a beneficiary can seek a prior appointment for OPD Registration in the stipulated dispensary. This Application can be downloaded free of cost in Smart Phones. This project has been rolled out in ESIC Dispensaries in Delhi on a pilot basis. Initially, every ESIC Dispensary in Delhi can cater to 20 patients per day through this mobile application. An appointment can be sought up to 7 days in advance excluding the current date. The Application is available both in English and Hindi. Progressively the project is planned to be rolled out in other ESIC dispensaries, in phases, based on the response of this pilot project.

Under ESIC 2.0 Reforms, ESI Corporation has decided to expand its services in the country. In the implemented areas where Insured person population does not meet the ESI norms for setting up health facilities, an endeavour is made to provide services through mobile clinics.

This information was given by Shri Bandaru Dattatreya, the Minister of State (IC) for Labour and Employment, in a written reply to a question in Lok Sabha on 31-07-2017.

App is available in Google Play store:

The image displays the Google Play Store listing for the "AskAnAppointment" app and four screenshots of its user interface. The app listing shows the app icon, title, category (Medical), a 3+ age rating, and an "Install" button. The screenshots illustrate the app's workflow: 1. Sign-in options (IP Number, ESIC Employee, ESIC Pensioner) in Hindi and English. 2. Date and time selection for a morning session on 10 March 2017. 3. A confirmed booking for RANGASWAMY at 08:30 AM on 10 March 2017. 4. A confirmation screen with the booking reference number 0903170017 and instructions to reach the dispensary 15 minutes before the appointment.
